RECOMMENDATIONS

A Increase the IFRC Livelihood Program in regions and countries that had a significant fall of job positions.

B Work jointly with the companies, especially small and medium-sized (SME) to help them adapt to the changes that the pandemic introduced.

C Implement interventions to reduce the digital gap and train the personnel of the sector in the use of the new technologies.

D Train and update the personnel in terms of virtual modality work and/or hybrid work, and provide the technological supplies required for it.
